Engelhard

3 ounce .999+ Silver bar

Serial Number 47655 MFR

My husband bought several silver bars for many years in the 1980's and now the time has come to sell them.

I am 75 years old and think it is time to let them go.

I do not know much about these bars other than they are valuable from looking at other Ebay listings.

This bar in in original condition and I was told not polish them? I think they would look prettier?
