

WE ARE EXCITED TO ADD

SIMMONS REFINING COMPANY

TO OUR OTHER REFINERS SECTION!

SIMMONS REFINING COMPANY has been a favorite of ours for a long time, but it has taken us until now to accumulate enough information to present a meaningful Definitive Page to our collector community. These ingots are quite rare and very seldom seen, and when they do appear they tend to disappear just as quickly. Please take a moment to visit the new [SIMMONS REFINING COMPANY](#) Definitive Page and see for yourself what all the fuss is about.

If you own any of these beautiful ingots and have any additional information to supplement this page, we would be grateful for your contribution. We'll be adding several more of your favorite refiners in the coming weeks, so stay tuned!

Happy Stacking,

AE
